Facilitators of Life Sciences Research

[WeAreTebubio]

The Facilitators of Life Sciences Research

2025/01/16

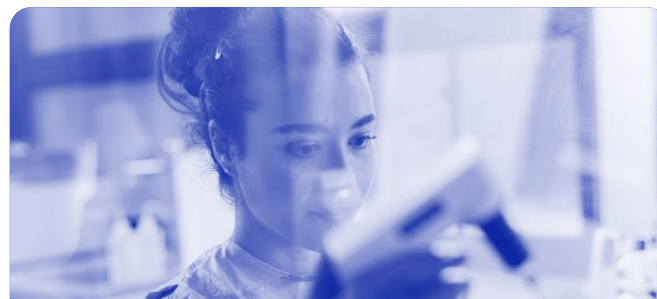

We facilitate Life Sciences Research every day and contribute to a brighter future

We are Pan-European

- Founded in 1953
- Family-owned
- 100+ Employees
- Local offices across Europe

We Act for Life Sciences

- Innovation is in our DNA
- Contract Research Services Lab
- Part of EU Life Sciences ecosystems

We Care

- Ethical, compliant and transparent sourcing (from OEMs only)
- Animal welfare policy
- Corporate Social Responsibility (ISO 14001 / ISO 9001, Decarbonation Program)

With Tebubio, advance your Research Projects faster

Thanks to our Holistic Range of Solutions

Order advanced biological solutions

Outsource and Accelerate research

Streamline your ordering process

A large portfolio

Access to **over 1,300,000 standard** references and **non-catalogue** ones.

From trusted & ethical suppliers

Get solutions from **reputable global suppliers**, carefully selected for their **relevance, ethical** and **legal** compliance (e.g. Animal Welfare).

Dedicated scientific support

Our **Scientific Team** guides you to source, select and use solutions.

Based in Europe

Our **Teams** and **Contract Research Services Lab** are in Europe.

Team committed to success

A **PhD project manager** ensures the success of your project from A to Z.

Strong expertise in Life sciences

- **mRNA** production & delivery
- **Cell line** engineering & **protein** production
- **Cellular studies**
- **Biomarker** analysis

Reliable Supply Chain Management

- **IATA**
- **Human/Animal Biological Solutions**
- **Sourcing outside** existing suppliers
- **Warehousing** services

Order from a single source

Consolidate your orders with us.

Tailored agreements

From specific **one-off terms** to **procure-to-pay**, supported by **e-procurement** solutions.

Why choose Tebubio?

Researcher

Simplify Orders

Order **all the biological solutions** you need from a **single source**.

Get Delivered Quickly

Receive your products at **your door**, with a **guaranteed replacement**, even if it does not fit.

Save Time to Source, Select and Use

Get **dedicated support** from our Scientific Team, including for references outside of our catalogue.

Accelerate your Research

Benefit from our **Contract Research Services** if you lack resources, time, routine practice or even equipment.

Save Time and Admin Challenges

Place your orders with a **single partner** and rely on our **permits and certifications** (HBS/ABS).

Work with a Trusted Partner

You are guaranteed to buy from reputable, ethically and legally **compliant OEM sources** (no relabelling).

Leverage our supply chain expertise to set up the **supply configurations you need**.

Get Tailored Commercial Agreements

We are **flexible and adapt to your needs**: specific one-off terms, procure-to-pay, e-procurement solutions.
